Vietnam Veteran Memorial Wall - November 7 - 11, 2013

Dear Friend,

The Fox Valley Veterans Breakfast Club and the Vietnam Moving Wall Aurora Committee invites you to become a valued sponsor of THE VIETNAM MOVING WALL AURORA project. On November 7th, 2013, the Moving Wall will arrive in Aurora, Illinois and be on display through November 11th, 2013 (Veterans Day). The site for this momentous event is West Aurora High School. The last time the wall came to Aurora was 25 years ago and 250,000 visitors viewed it then. This year, we estimate that more than 300,000 guests will visit the Wall during the Veterans Day weekend.

The Vietnam Moving Memorial Wall has been in more than 1,300 cities across the United States since 1984, when it was built. The Wall is a 3/5 exact replica of the Wall that is in Washington, DC.

We would like to ask for your support to fund bringing the Vietnam Moving Memorial Wall, the traveling replica of the World War II Memorial, a Korean Veteran Display and displays of Desert Storm through Afghanistan all in one location for the first time.

Thank you for your consideration and subsequent contribution. Your kindness is a testament to our veterans and military. Your thoughtfulness will play an integral part of history in the making!

Herschel Luckinbill, Chairman
